## The Bowers Museum

The Bowers Museum is a world-class, cultural arts institution dedicated to the preservation, study, and exhibition of cultural arts from around the world.

### The Museum's Philosophy

The Bowers guiding philosophy is aimed at exposing people to world cultures through the arts to foster a greater understanding of ourselves and a fuller appreciation of the diversity of our world.

Here's what and how . . .

**Bowers Museum**  
...your window to the world's richest cultures

### Docents are men and women who

- Love to learn
- Want to know about other cultures and historical times
- Like to interact with people
- Want to serve the Community
- Enjoy working with highly motivated, friendly, intelligent colleagues
- Are able to present ideas in a carefully coordinated and meaningful sequence
- Appreciate humor, freshness, and creativity

Many of our docents have just retired from long-held jobs and are looking for a new focus. Others are brand new to Orange County and seeking a place to belong. Some have always wanted to work in a museum, while others are considering it for the very first time.

Whatever your reason, do consider joining us at the Bowers Museum.

### Here are the opportunities available to you

- lead scheduled tours and walk-in visitors through museum exhibits
- guide and teach visiting children about cultures introduced in their school curriculums
- take programs to schools
- present programs to senior citizen groups
- talk to civic groups about museum exhibits
- prepare educational materials for other docents
- liaison with docents from other museums
- enable children to learn through hands on discovery at Kidseum

### Training Program

Bowers docents are carefully trained for their role as museum representatives by completing a comprehensive training program.

### Bowers Docents are trained to prepare their own tours with

- An understanding of the cultures presented at the Bowers Museum
- A specific knowledge about each artifact and how it represents its culture

- Extensive practice in tour construction basics and the use of interactive techniques
